## Preterm Nutrition Through Discharge: A Case-Based Challenge

Presented by Tara K. Bastek, MD, MPH, and Karen M. Varga, RD, LDN, CNSC

Dr. Tara Bastek and Ms. Karen Varga provide detailed information to underscore the significance of proper nutritional intake in the NICU. During this review, interactive cases track preterm infants through the NICU to discharge, presenting challenges and solutions that focus on the latest nutrient intake recommendations, and overcoming the potential for mid-growth failure while transitioning from parenteral to enteral nutrition during acute, convalescent, and discharge feeding phases.

### About the Presenters

Tara K. Bastek, MD, MPH, is a board-certified pediatrician and neonatologist with WakeMed Physician Practices, a division of the WakeMed Health and Hospital network in Raleigh, North Carolina.

Karen M. Varga, RD, LDN, CNSC, is a pediatric nutrition specialist at WakeMed Health and a registered and licensed dietitian. She serves WakeMed Health and Hospital in Raleigh and Cary, North Carolina.

### Learning Objectives

- Link nutrient intake recommendations to the expected growth for preterm infants
- Apply the latest evidence supporting preterm infant convalescent and discharge nutrition
- Recommend novel approaches to convalescent and discharge feeds when a preterm infant is designated as at risk for growth failure or micronutrient deficiencies
- Customize nutritional interventions to help close the growth failure gap in the NICU and at discharge

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Annenberg Center for Health Sciences at Eisenhower (Annenberg Center) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The Annenberg Center designates this activity for a maximum of 1.25 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Annenberg Center designates this activity for a maximum of 1.25 American Nurses Credentialing Center (ANCC) contact hour.

Provider is approved by the California Board of Registered Nursing, Provider #13664, for 1.25 contact hour. *To receive credit for education contact hours outside of the state of California, please check with your state board of registered nursing for reciprocity.*

Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 1.25 continuing professional education unit (CPEU) for completion of this program/material. Registered Dietitians and Dietetic Technicians are to select activity type 102 on Professional Development Portfolio (PDP) activity logs.

### Activity Format

This activity is an online enduring material. Successful completion is achieved by reading and/or viewing the materials, reflecting on its implications in your practice, and completing the assessment component.

You can view and print a certificate when you successfully complete the course, and pass the posttest. Your certificate will be tracked in your account profile.
