

You're Invited to a Physician CME, Nurse and Registered Dietitian CE Group Viewing Event

Neonatal Resuscitation: Scientific Basis

Extremely preterm infants are unique among neonates. **Satyan Lakshminrusimha, MD**, discusses asphyxia and resuscitation, while reviewing the clinical and translational science and current guidelines in the care of these preterm infants. **Dr. Lakshminrusimha** elaborates on the vital elements of effective neonatal resuscitation, cord clamping and milking, decreasing the risk of IVH, and the optimum oxygen levels for initial resuscitation of extremely preterm infants. Recommended umbilical vein epinephrine dosing is reviewed for more effective resuscitation.

Accreditation and Certification

The Annenberg Center for Health Sciences at Eisenhower is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation-Enduring Material

The Annenberg Center for Health Sciences at Eisenhower designates this enduring material for a maximum of 1.0 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

 **AANP PROVIDER** | American Association of Nurse Practitioners
Annenberg Center for Health Sciences is accredited by the American Association of Nurse Practitioners as an approved provider of nurse practitioner continuing education. Provider number: 040207. This program is accredited for 1.0 contact hour. Program ID #5709-1EM.

Annenberg Center for Health Sciences is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

A maximum of 1.0 contact hour may be earned for successful completion of this activity.

Provider is approved by the California Board of Registered Nursing, Provider #13664, for 1.0 contact hour.

Annenberg Center for Health Sciences at Eisenhower is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 1.0 continuing professional education unit (CPEU) for completion of this program/material. Provider number AC857 Activity number #153641

Learning Objectives

At the conclusion of this activity, participants should be better able to:

- Understand the pathophysiology of asphyxia and the response for effective resuscitation
- Review the clinical and translational science supporting or refuting current guidelines
