

# You're Invited to a Physician CME, Nurse and Registered Dietitian CE Group Viewing Event

## State of the Art: Precision Nutrition in Preterm Infants

**Christoph Fusch, MD, PhD**, discusses evidence that reveals how to measure and strategically determine micro- and macronutrient needs for preterm neonates. He reviews the impact of balanced nutrient intake and nutritional research studies in preterm infants on clinical outcomes, as well as the significance of applying postnatal growth trajectories and optimal nutrition needs of preterm infants.

### Accreditation and Certification

The Annenberg Center for Health Sciences at Eisenhower is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Credit Designation-Enduring Material

The Annenberg Center for Health Sciences at Eisenhower designates this enduring material for a maximum of 1.0 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

 American Association of Nurse Practitioners  
Annenberg Center for Health Sciences is accredited by the American Association of Nurse Practitioners as an approved provider of nurse practitioner continuing education. Provider number: 040207. This program is accredited for 1.0 contact hour. Program ID #5730-EM.

Annenberg Center for Health Sciences is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

A maximum of 1.0 contact hour may be earned for successful completion of this activity.

Provider is approved by the California Board of Registered Nursing, Provider #13664, for 1.0 contact hour.

Annenberg Center for Health Sciences at Eisenhower is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 1.0 continuing professional education unit (CPEU) for completion of this program/material. Provider number AC857 Activity number #152303

### Learning Objectives

At the conclusion of this activity, participants should be better able to:

- Explain how nutritional needs vary among preterm and term infants
- Describe the clinical outcomes from nutrient research studies in preterm infants
- Develop individual postnatal growth trajectories for preterm infants to reduce the risk of postnatal growth retardation
- Apply current recommendations based on nutrient research studies for the clinical management of preterm infants
