

You're Invited to a Healthcare Professional CE/CME Group Viewing Event

Global Guidelines for the Nutritional Care of Preterm Infants

Improved care for premature infants has increased survival rates in very low and extremely low-birth-weight infants. Recent evidence related to nutritional requirements contributes to improved long-term health outcomes for premature infants. In this course, filmed at a live symposium, **Berthold Koletzko, MD, PhD**, and **Brenda B. Poindexter, MD**, present key nutritional needs, new lipid and protein requirements, and how to approach human milk fortification in premature infants. They discuss guidance for clinical application, while highlighting continued research opportunities to advance nutritional care of preterm infants.

Target Audience

This activity was developed for neonatologists, pediatricians, nurses, advanced practice clinicians, dietitians, and other healthcare providers involved in childhood health.

Learning Objectives

At the conclusion of this activity, participants should be better able to:

- Apply expert nutrition recommendations for very low-birth-weight infants in your clinical practice based on 2021 preterm infant nutritional guidelines.
- Identify areas in your clinical practice that will benefit from the latest preterm infant nutritional guidelines for enteral nutrition in very low-birth-weight infants.
- Identify research opportunities to advance nutritional care of preterm infants

Accreditation and Certification

The Annenberg Center for Health Sciences at Eisenhower is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

 **ANNENBERG CENTER FOR HEALTH SCIENCES**
AT EISENHOWER
Imparting knowledge. Improving patient care.

Credit Designation–Enduring Material

The Annenberg Center for Health Sciences at Eisenhower designates this enduring material for a maximum of 1.50 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Annenberg Center for Health Sciences is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

A maximum of 1.50 contact hour may be earned for successful completion of this activity.

Provider is approved by the California Board of Registered Nursing, Provider #13664, for 1.50 contact hour.

Annenberg Center for Health Sciences at Eisenhower is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 1.50 continuing professional education unit (CPEU) for completion of this program/material.
