

You're Invited to a Healthcare Professional CE/CME Group Viewing Event

Guideline-Based Care of Infants with Food Protein-Induced Enterocolitis Syndrome (FPIES) A Case-Based Program

Anna Nowak-Wegrzyn, MD, PhD, takes a case-based approach to identify and diagnose food protein-induced enterocolitis syndrome (FPIES) in infants and how to manage acute reactions. Dr. Nowak-Wegrzyn reviews common symptoms and food triggers and discusses how to distinguish FPIES from other major non-IgE-mediated food allergies. Owing to the critical importance of avoiding nutritional deficiencies in infants with FPIES, Dr. Nowak-Wegrzyn highlights how to optimize nutritional management while proceeding with an oral food challenge. An overview of new areas of research in FPIES, including the need for better food-challenge procedures, and the burden FPIES places on families, is also presented.

After viewing, go to <https://pnce.org/gv/59620> to complete a short assessment and get your certificate.

Target Audience

This activity was developed for neonatologists, nurses, advanced practice clinicians, dietitians, and other healthcare providers with an interest in preterm and term infants.

Learning Objectives

At the conclusion of this activity, participants should be better able to:

- Identify an infant with a convincing history of food protein-induced enterocolitis syndrome (FPIES)
- Optimize the nutritional management of an infant with FPIES
- Summarize new areas of research in FPIES

Accreditation and Certification

The Annenberg Center for Health Sciences at Eisenhower is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ANNENBERG CENTER FOR HEALTH SCIENCES
AT EISENHOWER
Imparting knowledge. Improving patient care.

Credit Designation—Enduring Material

The Annenberg Center for Health Sciences at Eisenhower designates this enduring material for a maximum of 1.00 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Annenberg Center for Health Sciences is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

A maximum of 1.00 contact hour may be earned for successful completion of this activity.

Provider is approved by the California Board of Registered Nursing, Provider #13664, for 1.00 contact hour.

Annenberg Center for Health Sciences at Eisenhower is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 1.00 continuing professional education unit (CPEU) for completion of this program/material.
