

You're Invited to a Healthcare Professional CE **Group Viewing Event**

Cow's Milk Allergy: Mechanisms, Diagnosis and Treatment

David Fleischer, MD, and Carina Venter, PhD, RD, discuss strategies for diagnosing and managing food allergies in infants, specifically cow's milk allergy (CMA) and its pathophysiology. Faculty describe IgE-mediated reactions to food; discuss current standard of care, including guided CMA elimination diet; examine the reintroduction of foods via oral immunotherapy; provide details about suitable and clinically recommended formulas; and review the latest insights of allergy trigger mechanisms that are providing new research targets for allergy treatments and clinical trials.

Target Audience

This activity was developed for pediatric physicians, nurses, registered dietitians, advanced practice clinicians, and other health care professionals who have an interest in newborns, infants, and toddlers.

Learning Objectives

At the conclusion of this activity, participants should be better able to:

- Apply current standard of care for the diagnosis and management of cow's milk allergy in infants
- Link research targets to diagnosis and treatment of cow's milk allergy in infants
- Specify nutritional strategies to manage food allergy in infants

JOINTLY ACCREDITED PROVIDER

In support of improving patient care, Annenberg Center for Health Sciences at Eisenhower (Annenberg Center) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education

(ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The Annenberg Center designates this enduring material for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Annenberg Center designates this enduring activity for a maximum of 1.0 American Nurses Credentialing Center (ANCC) contact hour.

Provider is approved by the California Board of Registered Nursing, Provider #13664, for 1.0 contact hour. To receive credit for education contact hours outside of the state of California, please check with your state board of registered nursing for reciprocity.

Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 1.0 continuing professional education unit (CPEU) for completion of this program/material.

Commission on **Dietetic Registration** right. Academy of Nutrition and Dietetics $Completion \ of this \ RD/DTR \ profession-specific \ or \ IPCE \ activity \ awards \ CPEUs \ (One \ IPCE \ credit = One \ CPEU).$ If the activity is dietetics-related but not targeted to RDs or DTRs, CPEUs may be claimed which are commensurate with participation in contact hours (One 60 minute hour = 1 CPEU). RDs and DTRs are to select activity type 102 in their Activity Log. Sphere and Competency selection is at the learner's discretion.
