Food Oral Immunotherapy: Risks, Benefits, Expected Outcomes

Presented by Mimi Lai-Kuan Tang, MBBS, PhD

This education is about:

- Understanding oral immunotherapy dosing regimens and clinical outcomes
- Recognizing the risk and benefits of oral immunotherapy
- Recognizing that shared decision making with caregivers of children with food allergy is essential to determine an appropriate individualized treatment plan

Why it matters:

Food allergy is on the rise in the United States and around the globe. Oral immunotherapy offers a variety of potential outcomes depending on dosing regimen selection, offering patients varying degrees of protection and enhanced quality of life.

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Annenberg Center for Health Sciences at Eisenhower (Annenberg Center) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The Annenberg Center designates this activity for a maximum of 0.75 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Annenberg Center designates this activity for a maximum of 0.75 American Nurses Credentialing Center (ANCC) contact hour.

Provider is approved by the California Board of Registered Nursing, Provider #13664, for 0.75 contact hour. *To receive credit for education contact hours outside of the state of California, please check with your state board of registered nursing for reciprocity.*

Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 0.75 continuing professional education unit (CPEU) for completion of this program/material. Registered Dietitians and Dietetic Technicians are to select activity type 102 on Professional Development Portfolio (PDP) activity logs.

Activity Format

This activity is an online enduring material. Successful completion is achieved by reading and/or viewing the material, reflecting on its implications in your practice, and completing the assessment component.
