A Conversation About Gut Immaturity, Feeding, Fussiness, and Colic

Flavia Indrio, MD
University of Salento
Lecce, Italy

Michael J. Wilsey, Jr, MD
University of South Florida College of Medicine

Infant colic is a relatively common, self-limited condition that is nonetheless distressing to caregivers, increasing the risk of postpartum depression, anxiety, and abusive head trauma. The management of colic focuses largely on providing counseling and support to caregivers, tasks that often fall to pediatric healthcare providers. Knowledge about colic diagnosis, management, and caregiver support is critically important for clinicians who provide care for infants.

Learning Objectives

By participating in this course, you will:

- Recognize the role of gut immaturity and microbial dysbiosis in symptoms of infantile colic
- Apply available clinical management strategies for excessive crying and colic
- Demonstrate readiness to speak with parents and families about the psychological impact of colic

Presenters

Flavia Indrio, MD, is professor of pediatrics at the University of Salento in Lecce, Italy.

Michael J. Wilsey, Jr, MD, is a clinical professor in the Department of Pediatrics at the University of South Florida Morsani College of Medicine in Tampa, Florida, associate professor of clinical pediatrics in the Department of Medicine at Johns Hopkins University School of Medicine in Baltimore, Maryland, and vice chair in the Division of Pediatric Gastroenterology at Johns Hopkins All Children's Hospital in St. Petersburg, Florida.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Annenberg Center for Health Sciences at Eisenhower (Annenberg Center) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The Annenberg Center designates this activity for a maximum of 0.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
